IMPORTANT INFORMATION

This is your International Fuel Tax Agreement Fuel License. The use of this license means you agree to abide by the IFTA requirements. A photocopy or electronic copy of the permanent license issued to the carrier shall be carried in each vehicle operated by the licensee.

You will receive quarterly fuel tax reports from the State of South Dakota in March, June, September, and December for all jurisdictions. You are required to maintain vehicle mileage records, and to file the reports even if no miles were traveled for the quarter. **Failure to receive the authorized report form does not relieve the licensee from the obligation of submitting a report.** Failure to file reports in a timely manner will result in the assessment of penalties, interest and/or suspension. Renewal of any IFTA license will be denied if the carrier has failed to file any quarterly reports or is delinquent in any fuel tax payments. Your IFTA records are subject to audit.

CANCELLING YOUR IFTA ACCOUNT

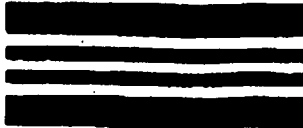

In order to cancel your IFTA account, you must notify South Dakota Motor Carrier Services in writing and include the following:

1. The current fuel license and any unused IFTA decals (or retain them in your company files for five years for audit purposes).
2. All outstanding tax reports and tax payments.
